NON-PROFIT SOLUTIONS

At **Corporate Care International**, we appreciate the dedication and overall determination of your organization.

As a non-profit entity, you are committed to serving the greater good and helping those facing adversity find comfort and understanding. We are also aware that you tend to face unique set of risk exposures that for-profit and conventional organizations seldom do.

Finding the appropriate insurance solutions for nonprofits and social service agencies can be problematic. The diversity of services, coupled with the extent of possible risk exposures, requires the expertise of an agency that can aggregate several different policies into one, affordable **non profit insurance** coverage plan.
